

Job Description: QA Engineer

About Capitols:

About Capitols:

Capitolis is a pioneering technology provider for the global capital markets. Founded by key industry executives from banking and financial technology, Capitolis plans to introduce in 2019 new products and services to address capital markets constraints, initially in equities and foreign exchange. It will employ Capitolis' expertise in finance, distribution, and processing to better connect appropriate capital with the best collaborative solutions to clients all over the world.

We are a young startup located in the heart of Tel Aviv, New York City, and London. We are in the business only for the past 2 years, but we are already heavily backed by the leading VCs: Sequoia Capital and Index Ventures.

We are excited to grow the team! We are looking for talented, smart and creative people to join our R&D center in Tel Aviv and help us lead the path and make an impact on the global financial market.

Role description:

We are looking for an experienced hands-on QA engineer with proven abilities to deliver fast and efficiently. A true team player who is eager to be part of a very unique opportunity in the startup scene.

- At least 3 years of experience as QA Engineer for Enterprise products
- B.Sc. in Computer Science or other relevant fields
- Able to find and analyses system and software problems quickly and accurately
- Strong analytical skills
- Great in collaboration and communication with others and a true team player
- Familiar with SQL and/or NoSQL DBs
- Knowledge of common testing frameworks
- Excellent English - spoken and written

- Financial affinity - significant advantage
- Experienced with writing automated QA tests – an advantage
- Customers oriented - an advantage
- Behavior-Driven Development (**BDD**) - process that encourages collaboration among developers, QA and business participants in a software project. – an advantage
- Cucumber - open source tool, which supports behavior driven development (BDD) – an advantage

Location: Midtown, Tel- Aviv
